## ABOUT US

We Midas Fabricom Pvt Ltd – A name reckon with the most dependable Pharmaceutical , Surgical , medical devices and disposable company , Working , Achieving and striving to be One stop solution for all Hospital & Health care Needs . We Provide Certified Quality products as per Industry standards holding multiple certifications and Quality Analysis certifications . Our key vision is to provide Quality with timely delivery and the asked quantity .

We supply a comprehensive products with competitive pricing in the range of Pharmaceuticals Drugs & medicines , Gynaecology Medicines , Cardio and Diabetic Medicines , Critical Care Medicines , Orthopaedic Products and other Range of products having a total Drug and Medicine Combination of 900+ formulation , Along with Drugs & Medicines we are specializing in Health Care Disposable Products , Medical Devices and In HEALTH AND HYGINE PRODUCTS .

We at Midas Fabricom pvt ltd – Work towards Providing Better product , better quality and better packaging . We Strive to achieve to add more product into our products and Create complete Pharma and health care company . We have attained the following certification such as CE, ISO , EN-ISO, GMP-WHO , FDA USFDA , QAC & SGS .

Our Vision and Motto is to bring the best quality of products for better healthcare and better living . We Work everyday to achieve , to attain and to grown by quantifying ourselves Pushing ourselves for bigger goals and product delivery .

## Head Caps

### Surgeons cap

- Ultrasonic Sealing
- Surgeons cap with elastic
- Machine manufactured
- Poly bag – 100pcs
- CTN – 5000pcs

Colours Available : Blue, Green, White

Surgeons cap

Surgeons cap with Tie

### Bouffant cap

- Economical yet effective headwear
- Machine manufactured, no manual handling
- Size : 18" & 21"
- Packing 100pcs in poly bag
- Packing 5000pcs in CTN

Colors Available: White, Blue and Green

Bouffant Cap

### Disposable Shower Cap

We are leading manufacturer & supplier of Disposable Shower caps & Bouffant caps. They are widely used across various Industries, Hotels, Health Clubs & spas

·Soft virgin PE is comfortable for long durations Economical yet effective head wear preventing release of bacteria Machine manufactured therefore no manual handling.

## Shoe cover

### PE (Plastic), Nonwoven, Rubber Shoe cover

#### Specifications:

- PE shoe cover/Plastic shoe cover made of LDPE,HDPE Elastic opening
- Available in different thickness and color
- **Nonwoven:** Spun bond PP
- Size: 7.5Inch medical grade PP Spun bond
- Light weight, Convenience, Flexible, Economical

**Colors Available:** White, Blue and Green.

Plastic Shoe Cover

### Rubber Shoe Cover

#### Specifications:

PE shoe cover/Plastic shoe cover made of HDPE Elastic opening  
30 Micron  
Hand Making is not Machine making

Plastic Shoe Cover

Rubber Shoe Cover  
Hand Made

Nonwoven Shoe Cover

## Gloves

### Plastic Gloves :

Plastic Gloves Thin, Medium, Thick, veterinary Gloves , Latex Gloves , Nitrile Gloves  
Disposable plastic gloves are made by the best quality of raw material.

#### Specifications:

- Made with plastic material, HDPE, LDPE
- Five finger type
- Color transparent

## Surgical Gloves(latex)

#### Specifications:

- Made of natural Latex, Soft & Sensitive
- Micro rough finish for better grip
- Long lasting protection against biological contaminants
- Natural rubber construction forms to the hand to provide outstanding comfort and dexterity

#### Surgical Gloves Features:

- Lightweight, Convenience, Flexible, Economical
- Packing: 100pcs in poly bag
- Disposable powder-free latex gloves
- Powdered

## Disposable Bed Sheet With Pillow cover

We are engaged in offering our clients an exclusive range of **Disposable Bed Sheets**. These sheets are designed using high-grade material and latest technology. Our sheets are highly comfortable and are available in customized versions so as to suit the varied choices and preferences of our esteemed customers. We make sure to deliver the offered range at clients doorsteps within the given period of time.

Bedsheet with pillow Cover

## Disposable Gowns

### Surgeon Gown

We offer Disposable Surgeon Gowns to our clients. Gowns are comfortable to wear and have elastic cuffs for better movement. The gowns are comfortable due to their generous sizing and soft comfortable material from which they are made.

Surgeon Gown

### Patient Gown

We are among the most trusted organization which deals in providing Patient Gown to the clients. There is huge demand for this Patient Gown among the clients. The quality of these Patient Gowns is simply outstanding. Customer satisfaction theme is kept in mind while designing these Patient Gowns. In addition to this, these do not lose their shine and has excellent finishing. These are available at cost effective prices to the customers.

Patient Gown

### Plastic Apron

Owing to our affluent experience of this domain, we are competent to offer the high quality range of Plastic Apron. These products are made using the industry approved raw material, procured from reliable suppliers of market. The offered aprons are recognized in the market for their light weight, ideal fitting and optimal antibacterial property.

Plastic Apron

### Nonwoven Apron

- Material :** Nonwoven
- Size :** Standard size
- Color :** Blue
- Usage :** Medical, electronics, chemical circumstance, pharmaceutical environment, laboratory, especially suitable for medical personnel

Nonwoven Apron

**Features :** ·Puncture resistant ·Fine finish ·Water and dust repellent

- + Low maintenance requirement
- + Protection against infection
- + Easy to adjust quality.

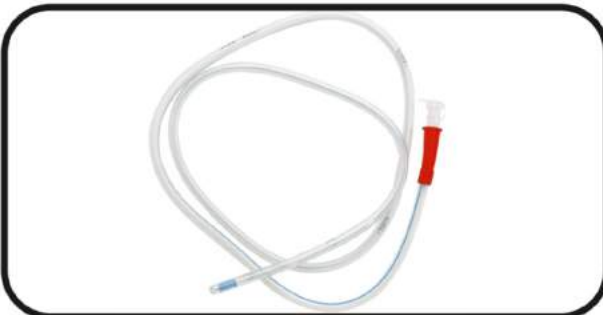

**Infusion set with Bulb Latex**

- + Infusion Set Non vented Bulb latex
- + Infusion Set Non Vented Tube latex
- + Infusion Set Premium
- + Infusion Set Vented With Bulb latex

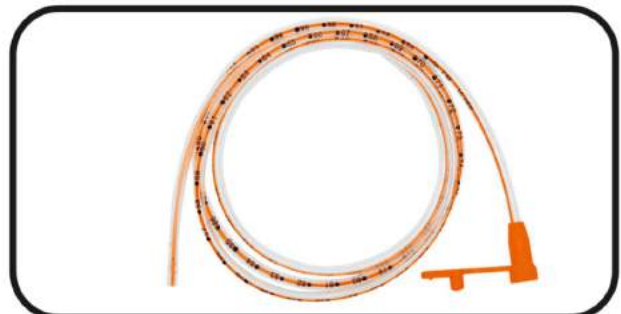

**Ryles Tube**

- + Crack resistance
- + Easy to use
- + Light in weight

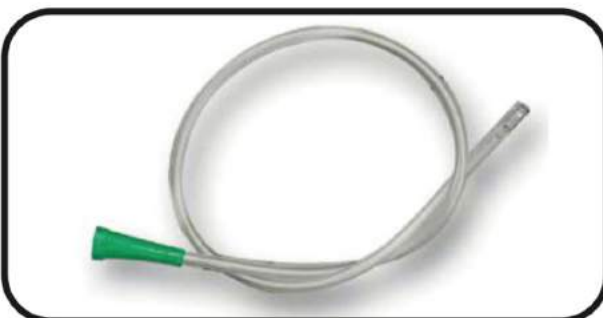

**Feeding tube**

- + Seamless finish
- + Hygienic nature
- + Easy to use

**Suction Cateter**

- + Atraumatic, soft-rounded distal end is open with one lateral eye to avoid trauma during suctioning.
- + Soft and smooth tubing specially made using frozen surface technique for easy insertion.
- + Color coded funnel end for instant size identification.
- + Sterile, peelable soft blister pack.

**Urethral Cathater**

## Folly catheter

- + Easily affordable
- + Easy to use
- + Helpful and beneficial
- + Top class finishing
- + Long lasting

## Urine Bag.

- + Disposable
- + Leak proof
- + Accurate calibration

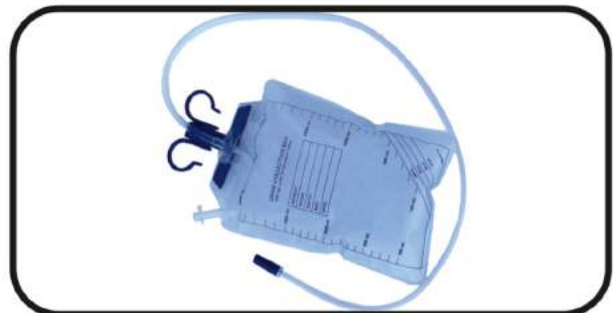

## Malecot Catheter

- + The Malecot flower design is ideally suited for the drainage of thick viscous fluids
- + Used for percutaneous placement of a malecot catheter in the renal pelvis for nephrostomy drainage.
- + Highly RADIOPAQUE for better visualization.

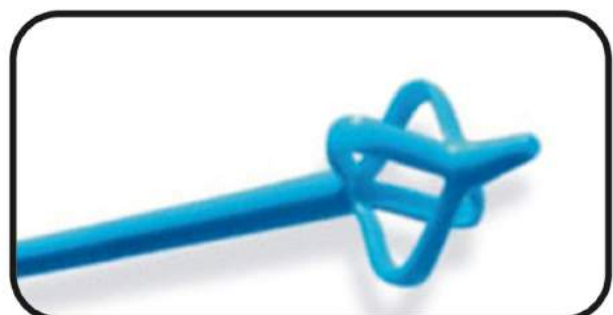

## Uromeeter.

- + Specially designed for measurement of hourly urine output.
- + Clear and transparent measured volume chamber provides accurate measurement.
- + Urine chamber directly attached to the urine bag with overflow facility.
- + Completely closed system eliminates the risk of contamination.
- + Screw type bottom outlet provided for easy and quick emptying of urine bag.
- + Sterile and individually packed in a box.

## DJ Stent

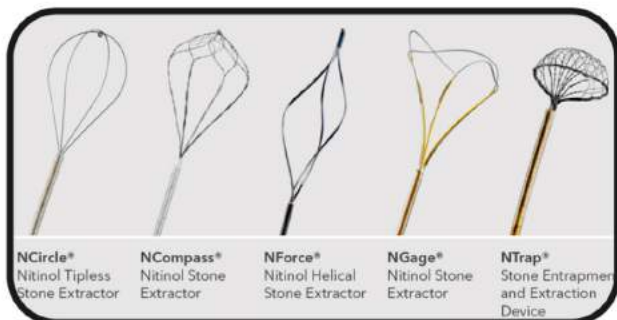

- + Durable with superior bio-compatibility.
- + Thin wall designed for maximum drainage.
- + Tapered at both the ends - for easy insertion.
- + Minimized tissue irritation with easy but rapid Traumatic insertion.
- + Smooth surface for easy insertion.
- + Highly radio opaque for better visualization.

## Pcn Catheter

- + Used for temporary or permanent drainage & irrigation of urine from the kidney by direct puncture, in the presence of distal obstruction.
- + Highly radiopaque for better visualization and has an extremely low encrustation tendency.
- + Stents are tapered at both the ends, which helps in easy penetration to the exact location.

# DISPOSABLE SURGICAL PRODUCTS

## Stone Retrieval Basket

- + Adjustable knob allows for controlled and assured basket expansion.
- + Available in Four and five wire.
- + Available in Stainless Steel and Nitinol.
- + Maximum grasping efficiency.
- + Retrieving large stones, easily.
- + Intended for one time use.

## Urethral Dilator Set

- + Used for dilation of male urethral strictures and vesical neck contractures.
- + The curved design eases placement and reduces trauma the curve supports the natural curvature of the male urethra.

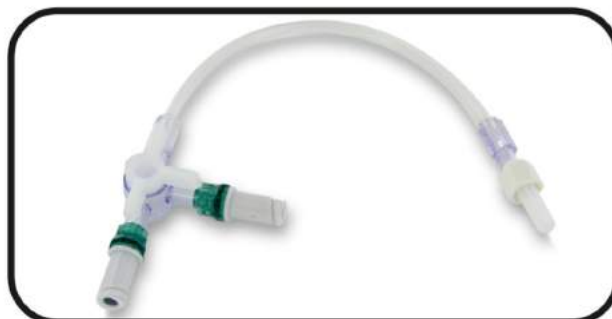

## P.M.Line.

- + Made of clear, non- toxic PVC
- + Various length are available
- + Sterile, non-pyrogenic
- + infusion management, F/M
- + pressure monitor, F/M
- + 300PSI pressure tube, F/M

## 3 Way Extension.

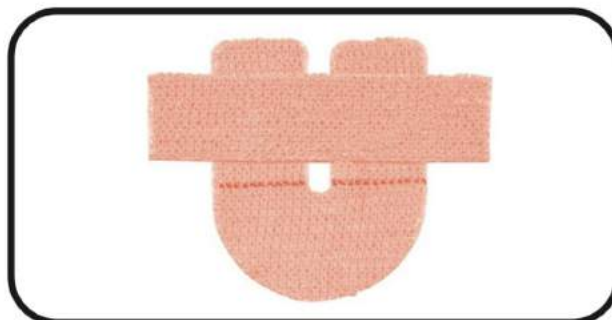

- + Pre-assembled extension tube
- + Different lengths are available
- + Sterile, non-pyrogenic
- + infusion management
- + pressure monitor

Spiral P.M. With & Without NRV.

## Cannula fixator

- + Sterile, Hypoallergenic, Transparent, Breathable & Impermeable to liquids, viruses bacteria
- + Reinforced notches reduce mechanical stress from heavy catheters.
- + Used to all kinds of Cannula & Infusion Line Fixation.

### Plain ventilator circuit

- + Light weight
- + Low compliance
- + Superior soft tip design for safe and easy insertion

### Venti Circuit. D.W.T. ( Adult / Ped )

- + With ported Y-connector
- + 90° elbow with Luer lock gas sampling port
- + 1.6m fixed length
- + 1.6m fixed length, with single water teap
- + Breathing system 1.6m fixed length, double water trap and 0.4m limb
- + Breathing system 1.6m fixed length for adult, double water trap and 0.4m limb
- + Adjustable length, max length is 1.6m
- + Smoothbore breathing system 1.6m length

### Venti Circuit. S.W.T. ( Adult / Ped )

- + Crack resistance
- + Excellent finish
- + High durability

### V Limbo Circuit. ( Adult / Ped )

- + Rugged design
- + Perfect finish
- + Leakage proof
- + High strength

### Combo Circuit. (3x1)

### Bain Circuit. ( Adult / Ped )

- + Expandable Co-axial Circuit
- + Sample Port Elbow
- + Latex-Free Breathing Bag
- + King Mask

Double/Single Hited Wire Circuit. With & Without Chamber.  
( Adult / Ped / Neo )

- + Dual Heated with / without autofeed chamber
- + Single Inspiratory Heated & Expiratory Water Trap
- + Pressure Line optionally included
- + Universal Connector Kit for Ventilator Interface

### Catheter Mount

- + A catheter mount is a prolongation of the endotracheal tube or anaesthesia mask to move the patient easily, avoid the circuit weight on the endotracheal catheter.
- + 22F-15M Straight Connector.
- + 17mm Corrugated transparent flexible tubing for visual assessment of any blockages.
- + Suitable for connection between endotracheal tube and breathing circuits.

### Breathing Filter

- + Medical filters are used for the removal of bacteria from the air breathed in by the patient through respiratory support equipment. such filter in the airway between equipment and patient.
- + low flow resistance high filtration efficiency, high heat & humidity level.

### Nasal Cannula ( Adult / Ped / Neo / Infi ) ( 1.5 mtr, 5 mtr 10 mtr )

- + Made of clear, non-toxic PVC
- + Two tips, over ear style
- + Anti-crush tube

### Oxygen Mask Kit. ( Adult / Ped )

- + Made of clear, non-toxic PVC
- + Medium, concentration
- + Adjustable nose clip
- + Anti-crush tube

### Nebulizer Mask Kit. ( Adult / Ped )

- + Stand-up Nebulizer
- + Screw, easy to seal
- + Operates even at 45°
- + Available mask or mouthpiece
- + Capacity: 6cc
- + Boiling to Sterile (only for jar)

## High Concentration Mask. ( Adult / Ped)

- + Made of clear, medical grade PVC
- + With 1000ml reservoir bag
- + Anti-crush tube
- + With standard connector
- + Latex free

## Venturi Mask. ( Multi Vent )

- + Made of clear non -toxic PVC.
- + Six color coded diluters for six concentrations.
- + Adjustable nose clip.
- + Adaptor for High humidity.
- + Anti-crush tube.

## Bipap Mask / C Pap Mask. ( Small / Medium / Large )

- + Polycarbonate material
- + 100% transparent
- + Adjustable headrest
- + Comfortable cushion
- + Quick release headgear

## Bipap Tubbing. ( Disposable Reusable )

- + Shock resistance
- + Premium quality

## Guddel Airway.

- + Reasonable
- + Quality approved
- + Hygienically processed
- + Reliable

## Catheter Mount.

- + 22F connector compatible with all adult breathing circuits
- + Latex free
- + with 90 angled swivel connector 15F swivel
- + with 90 elbow 22M/15F
- + 18cm Fixed length, one end with 22F connector, another with 15F connector

# DISPOSABLE SURGICAL PRODUCTS

**Ambu Bag.**

- + PVC bag, Latex free
- + Transparent patient end
- + With PVC air cushion mask
- + With oxygen reservoir bag
- + 360° swivel connector can accept facemask or tracheal tube
- + Disposable

**3 Ball Spirometer.**

- + Compact Apparatus
- + Simple Design
- + Easy to use
- + Reliable

**Mucus.**

- + Specially designed for aspiration of secretion from oropharynx in newly born babies to ensure free aspiration.
- + Clear transparent container permits immediate visual examination of the aspirate.
- + Spark plug cap is provided for sealing and storage of specimen.
- + Low friction surface catheter is provided with open end silk smooth round tip for trauma free insertion.
- + Suitable for obtaining mucus specimen for microbiological examination.

**Cord Clamp.**

- + Manufactured from non toxic medical grade polymers.
- + Acetal Provided with dual purpose security lock.
- + Click to indicate the correct locking and protect against any accidental re opening.
- + Grooves through the body prevent the slipping of the umbilical cord and to retain sit in the same position.
- + Finger grip of the clamp ensures safe and convenient handling.

**Quatry Pencil. With Tip Cleaner.**

- + Bending: Up to 90 Degrees
- + Edge: coated
- + Plug Connector: 3 Pin Banana Plug
- + Cleaning: 4 \* 4 gauge
- + Control Way: Push Buttons by Hand
- + Light weight and streamline design
- + Cut and Coagulation
- + Hexagonal anti-rotation system blades for all electrodes

**Yankur Set.**

- + Anti-broken material
- + Available with Crown tip and Plain tip
- + Latex free
- + Crown tip, With slid vent
- + Crown tip, With vent
